

Rodeo Sanitary District

Contractors with a valid Class A – General Engineering license are invited to bid construction of the Comprehensive Wastewater Master Plan Near Term Improvements-SCADA in Rodeo, CA, for the Rodeo Sanitary District. The Project consists of upgrades to the SCADA system hardware and software; and modifications to the main control panel at the wastewater treatment plant (WWTP). The Engineer's opinion of probable construction cost is \$350,000.

The project will be funded by the California Clean Water State Revolving Fund (CWSRF). The project will require compliance relative to utilization of DBE, including the Six Good Faith Efforts (GFE) listed in the appendix prior to bid opening. Contractor shall submit EPA Form 6100-3 DBE Subcontractor Performance Form, EPA Form 6100-4 DBE Subcontractor Utilization Form and any required attachments with the bid.

Copies of contract documents are available for \$100. For documents, call the Rodeo Sanitary District at (510) 799-2970 to arrange for pick up in Rodeo or delivery at contractors expense. Questions regarding the bid package should be directed in writing as soon as possible but no later than five working days prior to the opening of bids to: Steven S. Beall, PE, District Manager, at bealls@rodeosan.org. Mandatory pre-bid conference is set for 1:00 PM on Tuesday, May 17, 2016 at the Rodeo Wastewater Treatment Plant, 800 San Pablo Avenue, Rodeo, CA, and bids are due not later than Tuesday, June 21, 2016, at 2:00 pm.
