

Rodeo Sanitary District

Contractors with a valid Class A – General Engineering; Class C-34 – Pipeline Contractor; or Class C-42 – Sanitation System Contractor license are invited to bid construction of the 2023 Priority Improvements in Rodeo, CA, for the Rodeo Sanitary District. The Project consists of installation of approximately 103 linear feet of new or replacement sewers 8 inches in diameter and spot repairs at seven locations including removal and replacement of short sewer sections, manhole base modifications and manhole rehabilitation. The sewer work will include open cut installation of approximately 103 linear feet of 8-inch DIP sewer; open cut installation of approximately 62 linear feet of new building sewer extensions; base modifications of 1 existing manhole; installation of 2 new manholes; replacement and or reconnection of 7 building laterals; abandonment of 107 linear feet of existing sewers; sewer and manhole spot repairs at seven locations; traffic control, SWPPP requirements, and miscellaneous surface restoration work. The Engineer's opinion of probable construction cost is \$152,000.

The contract award will be made up to 60 days after bid opening to accommodate Contractor schedule.

Paper copies of contract documents are available for \$100 per set. Electronic versions of contract documents are available at no cost. For paper copies of documents, call the Rodeo Sanitary District at (510) 799-2970 to arrange for pick up in Rodeo or delivery at contractor's expense. Questions regarding the bid package should be directed in writing as soon as possible, but no later than five working days prior to the opening of bids to: Steven S. Beall, PE, District Manager, at bealls@rodeosan.org. No prebid conference will be held. Bids are due not later than Tuesday, May 30, 2023, at 1:00 pm at the Rodeo Sanitary District Administration Office at 800 San Pablo Avenue, Rodeo, CA 94572.
